DTO Restaurant Program

A. Program Introduction/Goals

Restaurants are vital for urban environments as they drive economic growth, create jobs, foster a vibrant atmosphere, provide community gathering spaces, and contribute to urban revitalization. The presence of diverse and thriving restaurants can transform downtowns into dynamic and prosperous centers that benefit residents, visitors, and the local economy. Conversely, vacant spaces contribute to the spread of blight within downtown areas. The intent of the DTO Restaurant Program (Program) is to activate spaces within the Downtown Orlando Community Redevelopment Area (Area) and establish the Area within Downtown Orlando as a foodie destination, to attract locals and visitors to visit downtown Orlando as well as attract new restaurants and encourage expansion of existing restaurants by reimbursing costs associated with interior buildout and rent of a newly leased property.

Additionally, it is standard practice in the commercial real estate industry for property owners to provide a tenant improvement allowance towards the construction of a newly leased premise. Often, the amount of the tenant improvement allowance becomes the determining factor in a restaurant’s decision to enter into a lease for a specific property. The Program seeks to make downtown properties financially competitive to properties further from the city center by supplementing the funding available for tenant improvements to eligible properties within the Area.

This investment in restaurants in the Area helps to accomplish the Community Redevelopment Agency’s (CRA) Downtown Community Redevelopment Area Plan (DTOutlook) goals, including:

- Filling vacant retail spaces within the Area in order to prevent the spread of blight within the Area
- Promoting uses that activate storefronts throughout the day, helping to eliminate “dead zones”
- Supporting renovations and adaptive reuse of existing buildings
- Attracting employers and retailers to downtown Orlando
- Supporting incentives for restaurant and retail location and expansion within the CRA
- Supporting retail/restaurant development through incentive programs and other strategies to reduce barriers to entry in the downtown market

B. Program Structure

1. Building Owner/Tenant Investment Requirement:
   a. For tenant improvement reimbursement funding, the CRA will match dollar for dollar based on the amount the building owner invests in tenant improvements up to a maximum amount based on the square footage requirements set forth in subsection 2 below. Such matching funding by the building owner and tenant is an eligibility requirement for receiving funding under sections 2 a, b, c, or d below.
   b. The tenant must be investing at least 10% of the eligible tenant improvement costs.
   c. If the total contribution from the building owner’s investment, the CRA and the applicant’s required contribution of at least 10% of the eligible tenant improvement costs equals more than the cost of the build-out associated with the program’s eligible items, the CRA will only cover the difference between the building and restaurant owner’s contribution and eligible build-out costs.

2. Funding Eligibility:
   a. Full-service restaurants located within a Focus Area (see Exhibit A) are eligible to receive up to $100 per square foot with a not-to-exceed funding amount of $400,000 for reimbursement of costs of eligible tenant improvements based on the square foot requirements shown in Additional Information below.
      i. Full-service restaurants refer to a type of restaurant where customers are seated at tables and fully served by waitstaff at all hours during which the restaurant is open.
      ii. “Focus Area” is defined as a property fronting or abutting either side of the rights-of-way shown on Exhibit A.
   b. Non-full-service restaurants within a Focus Area (see Exhibit A) are eligible to receive up to $50 per square foot with a not to exceed funding amount of $100,000 for reimbursement of costs of eligible tenant improvements based on the square foot requirements shown in Additional Information below.
      i. Non-full-service restaurants refer to all other types of restaurants where customers are not seated and not served by waitstaff.
ii. “Focus Area” is defined as a property fronting or abutting either side of the rights-of-way shown on Exhibit A.

c. All food service restaurants, including full-service and non-full-service restaurants that are not located in a Focus Area are eligible to receive up to $25 per square foot with a not to exceed funding amount of $100,000 for reimbursement of costs of eligible tenant improvements based on the square foot requirements.

d. Restaurants that will be adding or making improvements to outdoor seating areas are eligible to receive an additional $5 per square foot of the outside seating areas with an additional not-to-exceed funding amount of $25,000 for reimbursement of costs of eligible tenant improvements within the outdoor seating area.

e. If the building owner does not invest in tenant improvements, the tenant would be eligible to receive up to $25 per square foot with a not-to-exceed funding amount of $75,000 for reimbursement of costs of eligible tenant improvements based on the square foot requirements.

f. All qualifying restaurants are generally eligible to receive up to $25,000 to assist with Rent costs and Common Area Maintenance (CAM) costs incurred during the first year of the term of the Funding Agreement.

i. Rent abatement payments are to be made quarterly on a reimbursement basis. (Example: A restaurant outside a Focus Area that has $4,000 a month rental cost would qualify for $25,000 would receive up to $6,250 a quarter).

g. All qualifying restaurants located within Focus Areas are generally eligible to receive up to $50,000 for reimbursement of rental costs incurred during the first year of the term of the Funding Agreement.

i. Rent abatement payments are to be made quarterly on a reimbursement basis. (Example: A restaurant within a Focus Area that has a $4,000 a month rental cost would qualify for $48,000 and would receive $12,000 a quarter).

h. If the total eligible funding amount calculated under sections 2 a, b, c, or d is less than $75,000, the funding amount automatically defaults to $75,000 for eligible tenant improvements or the difference between the building and restaurant owner’s contribution and eligible build-out costs, whichever is less.

Additional Information

1. A restaurant is defined as a commercial establishment that is open to the public where food and drink are prepared for on-site consumption. Take-out or meal delivery may occur but a majority of consumption must occur onsite. Restaurants must be licensed through the State of Florida and derive at least 51% of gross revenue from sales of food and non-alcoholic beverages. Food shall be continuously ready to be prepared, served, and sold during all restaurant operational hours, including when alcoholic beverages are sold, otherwise, the use may be a bar or nightclub. Additionally, if serving alcohol, a restaurant must operate under a 4COP-SRX Alcohol License (or 2COP if not eligible for SRX due to square footage requirements) in order to qualify for the incentive.

2. Restaurants must be locating to or be expanding in the Area. Restaurants that are currently located within the Area that are relocating to another location within the Area or expanding the existing location are eligible for funding only if a restaurant is increasing its space (sq. ft.) by 25% or more based on its current square footage. (see Exhibit A for Area boundaries).

6. All proposed exterior improvements (please see eligible improvements) must meet the requirements of the Appearance Review Board (ARB) or, if a landmark property is located within a historic preservation district, the Historic Preservation Board (HPB), if applicable, as well as all other City Code requirements. Approvals or Certificates issued by the ARB or HPB do not guarantee approval of any DTO Restaurant Program funding.

C. Eligible Improvements/Items

Tenants applying for funding shall provide written permission from the property owner via a signed Owner’s Affidavit. Additionally, funding cannot be used for non-fixed equipment or inventory. Generally acceptable
improvements are those that can be used by a future tenant in the same leased premises and which will remain in

E. Procedures

The procedure for project review is as follows:

1. Pre-Application Meeting

   The applicant is required to meet with the DTO Restaurant Program Manager (Manager) who will review the
   applicant’s plans to determine eligibility based on the Program requirements. The Manager will provide the
   applicant with general guidance as to whether the proposed project is likely to qualify for Program funding and
   whether the applicant is sufficiently prepared to move forward to apply.

2. Grant Application Submission

   Following the pre-application meeting, the Grant application and all attachments must be submitted to the Manager
   for formal consideration for funding. The application requires the Applicant to submit a Letter of Intent for the
   lease from the landlord, proposed design, cost estimate/budget for the Tenant Improvements, and a business.
   Furthermore, the Applicant and property owner must contribute an amount greater than the financial contribution of
   the CRA as further specified herein.

3. Review Grant Application
Once an eligible application and the supporting documents are received, the Manager shall then conduct the
mandatory criminal background check and review the application to ensure that it meets all program eligibility
requirements. In making a recommendation to the CRA, the Manager shall ensure compliance with the eligibility
requirements and will consider the strength of the operation, budget, and growth plan described in the business
plan. The CRA will approve grants at its discretion based on the applicant’s lease term, capital investment
amount, experience, business plan, store design, and financial capacity.

4. Final Agreement and Construction

If approved for funding, the applicant shall sign the required Funding Agreement with the CRA. Substantial
modifications to final plans or change orders to construction documents that produce material changes in the
previously approved items will require review and approval of the CRA Executive Director.

The CRA reserves the right to deny a request for reimbursement if the completed improvements substantially
deviate from the improvements originally contemplated in the Funding Agreement or if the applicant failed to
to obtain approval of such deviations from the CRA Executive Director.

5. Construction Approval

Upon completion of construction, grantees shall submit proof of completion and arrange for an on-site inspection
by the Manager to ensure that the terms of the Funding Agreement have been met. Discrepancies will be noted
and a time frame for their correction will be established as necessary. Upon final approval by the Manager, the
grantee will submit a request for reimbursement to the CRA. Payments will be made to Grantee on a
reimbursement basis and in accordance with the City’s accounting procedures.

6. Disbursements

Funds will be disbursed by a check payable to the grantee (1) upon the issuance of a Certificate of Completion or
Occupancy (if required), and (2) upon verification by the Manager that the work was completed as proposed in a
satisfactory and professional manner. Funds will not be disbursed on projects that are completed in a manner not
in accordance with the approved plans. Before funds will be disbursed, grantees must provide verification,
satisfactory to the CRA, of all project costs, including contractor invoicing, lien release and evidence of payment
of all expenses, including property owner and tenant matching funds. All Grant funds shall be issued to the
grantee on a reimbursement basis only.

Funds will only be dispersed after the following actions occur:

- The Manager verifies that a final lease with an initial lease term of at least three years has been executed
- Applicant has obtained a City of Orlando Business Tax Receipt and Certificate of Use
- Applicant has secured a valid City of Orlando Certificate of Occupancy or Certificate of Completion and
  Releases of Liens are obtained from any and all contractors/subcontractors involved in making the tenant
  improvements
- Applicant presents paid invoices and companion bank statements or canceled checks/evidence of payment
  from a financial institution for eligible work and/or rent and is then reimbursed up to the approved amount as
described in the Funding Agreement
- Applicant is in compliance with other terms of the Funding Agreement

F. Program Terms

Funding is based on budget availability and will be considered on a “first come, first served” basis. Applying does
guarantee funding. Applications must be submitted with a detailed proposal of the improvement work, the
cost of which is sought to be reimbursed by this Program. Applications will be reviewed for completeness and
compliance with program criteria. Projects that do not comply with the Program criteria and conditions will not be
eligible for funding. An authorized corporate officer or partners of the applicant’s business must sign the
application, in addition to the property owner(s), if the applicant is the tenant. Tenants who are applying for a
Grant must supply proof of a lease for the subject property that identifies at least three (3) years remaining in the
lease term.
Before consideration for Program funding, the subject property must be free from any liens (except mortgage liens), judgments, or encumbrances (except easements) of any kind, current with all City obligations, and in compliance with all City Code requirements. On a case-by-case basis, the CRA may waive the requirement to be in compliance with City Codes if the proposed improvements are related to achieving code compliance. The CRA reserves the right to contract for a title search and/or ownership and encumbrance report at the CRA’s discretion, the cost for which will be deducted from the Grant funds at the time of disbursement, if Program funding is approved.

All applicants for program funding must submit to a criminal background check, the cost for which will be deducted from the Grant funds at the time of disbursement, if Grant funding is approved. If the applicant is a corporate entity, then the president, director, or manager applying shall submit to a criminal background check. If the entity is a partnership, then all partners must submit to a criminal background check. To be eligible for funding, the applicant must not have any of the following: a felony conviction or nolo contendere within the past five (5) years; a felony conviction or nolo contendere for financial economic crimes within the past ten years; or a felony conviction or nolo contendere for violent or heinous crimes (i.e. murder, sexual battery, sexual assault, armed robbery or burglary, carjacking, home-invasion, kidnapping, arson, crimes against children, etc.) in their complete history. If the background check reveals any of the above, the applicant will be rendered ineligible for funding.

Any Grant funding awarded will be based on the lowest of at least three (3) qualified bids obtained and submitted by the applicant. The owner and/or applicant may elect to choose a contractor other than the one with the lowest qualified bid but shall be responsible for all costs exceeding the lowest qualified bid. In all cases, the selected contractor must be licensed and insured. The CRA will not be responsible in any manner for the selection of a contractor. A property owner and/or tenant should pursue all activities necessary to determine contractor qualifications, quality of workmanship, and reputation. The property or business owner will bear full responsibility for reviewing the competence and abilities of prospective contractors and securing proof of their licensing and insurance coverage. If the tenant is unable to receive three (3) qualified bids, the Manager reserves the right to allow for two (2) qualified bids at the tenant’s request.

Program funds will be disbursed in the form of a grant with a limited repayment requirement if the Grantee vacates the property or changes use. To ensure that funds are available, improvements to be made under a Grant must be initiated (secured all necessary permits) within 90 days and completed within one (1) year of the effective date of the Funding Agreement. Extensions may be granted by the Executive Director of the CRA given just cause by the applicant (Example: contractor delays, acts of God, etc.). All Grant funds shall be issued to the Grantee on a reimbursement basis only.

G. Available Funds

The CRA may from time to time in its sole discretion establish annual funding for the program.

H. Previous Participation in the Retail Stimulus Program

If relocating within the CRA or expanding, the grantee who received funding under the previous Retail Stimulus Program may submit an application three years after the executed Funding Agreement date for funding under the revised DTO Restaurant Program.

I. Disclosures

The CRA expressly reserves the right to reject applications or request additional information from any and all applicants and grantees. The CRA retains the right to deviate from the program guidelines or amend the program guidelines, agreements, and application procedures. The CRA also retains the right to display and advertise properties that receive matching funds under this Grant.

Applicants which applied for funding after June 19, 2023 but prior to adoption of this Program on October 23, 2023, may elect whether to seek funding under the former Retail Stimulus Program or this Program. Funding will only be provided under one program.

J. Controls and Oversight
Throughout the Program and Award process, a number of checks and balances are employed to ensure that the grant investment contributes to the Program goals. The grant has a 3-year term with the possibility of the full grant amount or partial amount to be repaid if the Grant Recipient vacates the property or changes use. For each year of occupancy by the Grant Recipient, the amount due to be repaid to the CRA by Grant Recipient’s vacation of the premises or change in use will be pro-rated. Repayment of grant funds is triggered by the Grant Recipient’s vacation of the premises and newly created vacant space with no plan to re-lease the property within a six (6) month timeframe to another restaurant that would otherwise have qualified under the DTO Restaurant Program. Additionally, if the Applicant vacates the property or changes use, the Manager must be notified.

K. Default

If a default or breach occurs as defined in the Funding Agreement, the Manager will contact the Grant Recipient in an effort to determine the reason for the default. If the Manager is not successful, he/she will inform the City Attorney’s Office of the default. Once the City Attorney’s Office confirms the default, the CRA Executive Director shall direct CRA staff to cease further payments to the business owner and instruct the City Attorney’s Office to send a letter, notifying the restaurant owner of the default and demanding reimbursement of funds paid to the restaurant as of the date of the default within thirty (30) days. The letter will also instruct the restaurant owner to contact the Manager to further discuss the matter. If the restaurant owner either fails to respond to the demand letter within the requisite time period or does respond and proposes a payment schedule, the Program Manager will coordinate a meeting of the Default Committee. The Program Manager will send a letter to the restaurant owner notifying him/her of the date and time of the meeting.

L. Default Committee

The Default Committee will meet on an as-needed basis and will make recommendations to the CRA regarding the appropriate action to take with regard to seeking reimbursement of funds already paid to the restaurant owner. The Default Committee is comprised of the following officials or their designees:

- Executive Director of the CRA or his/her designee
- City of Orlando Business Development Division Manager or his/her designee
- City of Orlando Chief Financial Officer or his/her designee

The CRA Executive Director or his/her designee shall chair the Committee. The Manager will be a non-voting member of the Committee. The City Attorney’s Office will provide legal counsel and advice to the Committee.

The Committee shall have the authority to do the following: (1) recommend that the City Attorney’s Office initiate litigation in the event the restaurant owner fails to respond to the demand letter or refuses to reimburse the CRA; (2) discuss and vote on the terms of a settlement agreement in the event the restaurant owner proposes a payment schedule; or (3) decide to write-off the debt entirely. The Committee’s decision shall be reported by the CRA Executive Director to the CRA for approval.

If a settlement agreement is recommended, the City Attorney’s Office will draft such an agreement for signature by the restaurant owner and the CRA. The Executive Director shall present the settlement agreement to the CRA for approval. If the restaurant owner defaults on the terms of the settlement agreement, the Manager will coordinate a meeting of the Default Committee to determine further action.

If the restaurant owner proposes settlement after a claim has been filed in the courts and the proposal is accepted by the Committee before a judgment is entered by the court, the case shall be dismissed once the settlement agreement is approved by the CRA. However, litigation may be reinstated if the restaurant owner defaults on the terms of the settlement agreement.

If the Grant Recipient proposes settlement after a final judgment has been entered and the proposal is accepted by the Committee, the judgment and any corresponding lien will remain in force until the terms of the settlement agreement have been completely met. Once the terms of the settlement agreement are met, the City Attorney’s Office will file a Notice of Satisfaction of Judgment with the court and any lien will be released.
