Public Comment:**New Business:****a. Downtown Lighting Improvements – Mercedes Blanca, Assistant Director**

The DTOutlook identifies the need to improve lighting within the Downtown Community Redevelopment Agency to create a safer, more pedestrian-friendly environment. Lighting upgrades have been occurring regularly over the years, but CRA staff would like to increase the speed of completion of some contemplated improvements with OUC, including, but not limited to, upgrades to lighting around Lake Lucerne and the southern gateway into downtown along Orange Avenue and Rosalind Avenue, in addition to upgrades on Magnolia Avenue. Improvements would include removing existing light fixtures and installing brighter and more efficient LED fixtures, installation of new light poles, replacing globes as needed, and the addition of underground electrical infrastructure.

Staff requests that the CRA Advisory Board recommend to the CRA approval of the stated lighting improvements within the Downtown Community Redevelopment Area and the expenditure of up to \$407,856.68 for the purpose of completing such lighting upgrades.

Persons wishing to appeal any decision made with respect to any matter considered at the Community Redevelopment Agency Advisory Board meeting, will need a record of the proceedings; for this purpose, such person may need to ensure that a verbatim record of the proceedings is made to include the testimony and evidence upon which the appeal is to be based.
